✦ I first heard about ViQ from a friend, Mike, who had obtained it through his chiropractor. He told me that they couldn't get out of bed the night he took it. They had sex several times the way they used to when they were first married. Mike is 66 and his wife is 63.

Ron - New York, USA

✦ (Translated from Japanese) Since I have been taking ViQ, my romantic / sexual life has never been more powerful and rewarding. I can honestly say that I now see these pills as superior to the prescription drugs that I thought were so great. I would recommend ViQ to everyone I know without hesitation.

Yamada Taro - Tokyo, Japan

✦ Since we got ViQ, our sex life has been returned to the days before we had our kids. Thank you.

Adrenilda - Hamburg, Germany
